## ***Comhaltas Winnipeg Newsletter***

Welcome to our December newsletter! This month is holiday season so please take a moment to review the dates for the sessions, under Upcoming Events. You'll notice that some of the sessions will not be meeting throughout the entire month of December. During this holiday season, we hope you can find some time to drop in on a session or two, to take a break from the usual hustle and bustle of a busy and sometimes stressful time of year. Did you know that Irish music provides all the ingredients that psychologists recommend for good health? That's right, Irish music is social, lively and fun. So here at Comhaltas Winnipeg we sincerely wish you a great holiday season, and we hope to see you around town at a session or two!
