Greetings Members of Comhaltas Winnipeg

It has been a very long time since we have been able to meet due to the Covid Pandemic. We now need to hold an Annual General Meeting to elect some new members to our Board and to make plans for the future of our organization.

As you know, Comhaltas Winnipeg is the local Branch of the not-for-profit international organization Comhaltas Ceoltóirí Éireann based in Ireland, dedicated to the preservation and promotion of Irish Traditional Music both in Ireland and around the world. (*more info at: <https://comhaltas.ie/>*). There are several hundred Branches in many different countries. Each Branch is responsible for their own activities which are organized by local, dedicated volunteers in accordance with the aims of CCE. We are very appreciative of the dedicated volunteers in our Branch. CCE Branches may apply for financial and other support from the CCE Headquarters in Dublin for certain projects.

Three current Board members are stepping down after many years in their positions. We would like to thank Randy Mavins, Paul Hammer and Traicy Robertson for their time, dedication, and enthusiasm. The following positions are open for applications for anyone interested: Treasurer, Secretary and Public Relations Officer. Contact Susan Hammer for more information if interested in any of these positions.

Memberships can be renewed in-person at this AGM. If you wish to renew your membership and cannot attend but you have ideas for the future of our organization, please let us know.
